

MAYTAG ENGINEERED MAYTAG BUILT MAYTAG® MULTI-LOAD

INTRODUCING THE MULTI-LOAD WASHER

FOR ON-PREMISES LAUNDRY

RELIABILITY IN EVERY CYCLE

Ruggedly constructed and equipped with intuitive, flexible controls, our washer doesn't just perform, it performs efficiently, over and over again.

DEPENDABLE BY DESIGN

The Maytag® Multi-Load Washer is built to provide the performance and durability your business needs.

PERFORMANCE

Experience optimal wash performance with a consistent spin-out system for all your tough loads.

EASE OF USE

Engineered to deliver an optimal user experience – our intuitively designed software allows owners and operators to navigate and manage system controls, and program cycle settings – with simplicity, efficiency, and confidence.

DURABILITY

With a robust construction and commercial-grade components – the Maytag® Multi-Load Washer is designed to continually handle heavy loads of laundry.

SERVICEABILITY

All of our washers are designed with maintenance in mind: Almost all service procedures can be performed from the front and top of the machine, via quick access panels.

BUILT FOR BUSINESS

The Maytag® Multi-Load Washer can be configured to meet your exact needs. Constructed in both soft- and rigid-mounts, and available through multiple financing options – it is the solution you need to power your laundry operations.

SPLIT-LID DISPENSER

with an easy-to-flush design and four compartments: Pre-Wash and Main Wash (powder or liquid); and Bleach and Fabric Softener (liquid only)

FLEXIBLE CONTROLS

with an intuitive screen flow that has been user-tested for navigation and comprehension

10 CHEMICAL INJECTION PORTS

to customize the best formula based on specific washing needs

CONSISTENT SPIN-OUT PERFORMANCE

with G-forces of 200 for rigid-mounts and 400 for soft-mounts – to achieve max extraction

SECURE DOOR LOCK

with no moving parts, and an ergonomic, solid-steel door handle

DRIVE SYSTEM AND WASH UNIT

complete with a 304 stainless-steel drum and tub, commercial-grade bearings, a Variable Frequency Drive, and commercial-grade motor

ROBUST CONSTRUCTION

to handle tough loads and extraction forces

THOUGHTFULLY DESIGNED

for easy access and serviceability using minimal screws and key locks

EXPERIENCE COMPLETE CONTROL

Equipped with customizable settings designed to increase efficiency – our machines are built to help keep your operation running at full speed.

PROGRAMMABILITY

Ensure every load is washed the way you want – every time – and optimize your laundry workflow with system configurations that reinforce timeliness and efficiency.

CYCLE SETTINGS

With the ability to program up to 99 cycles, each with up to 99 phases, you have the flexibility to customize wash cycles, from formulas to spin time, all to fit your process needs.

MULTILINGUAL LANGUAGE OPTIONS

Users are able to choose from multiple language options to ensure they can conveniently navigate each machine.

DETERGENT AND SOLUTIONS SETTINGS

Determine which detergents and solutions are used during every cycle – and program them to release on time, and in correct amounts, with our split-lid, four-compartment dispenser.

CONNECTED FOR EFFICIENCY

Maytag Connect 360™ Technology* keeps you up to date with the performance of every machine – to help ensure your operation is running efficiently at all times.

MAYTAG CONNECT 360™ TECHNOLOGY

With a WiFi-enabled system, Maytag Connect 360™ Technology* gives facility managers the ability to know how their washers are performing, in real-time. Our intuitively designed software provides diagnostic reports, maintenance notifications, and software updates – to help keep each machine working at full capacity.

POWERFUL ONLINE TOOLS

Receive select diagnostics and alerts for preventative maintenance, and make program changes remotely – via WiFi – or onsite with our USB port.

SERVICE NOTIFICATIONS

Receive alerts for service and maintenance issues – to help identify where the problem exists, so technicians can come prepared to repair the washer in timely fashion.

OVER-THE-AIR UPDATES

Software upgrades can be made automatically through the WiFi-enabled board or with USB port– keeping every machine constantly updated with the latest technology from Maytag.

24/7 ACCESS TO INSIGHTS

Conveniently access every machine's diagnostic reports – to better understand, prevent, and solve performance issues, for operational efficiency.

*WiFi required. Features subject to change. Details and privacy info at connect360.maytag.com.

Three-Year Limited Warranty on Parts. For the first three (3) years from the date of purchase, when this commercial appliance is installed, maintained, and operated according to the instructions attached to or furnished with the product. Maytag® Commercial Laundry brand of Whirlpool Corporation (hereafter “Maytag”) will pay for factory-specified parts or original equipment manufacturer parts to correct defects in materials or workmanship.

Fourth- and Fifth-Year Limited Warranty on Certain Parts. In the fourth year and fifth years from the date of purchase, Maytag will pay for the following washer parts: the outer shell, drum and shaft assembly, inner welded frame, and bearings and seals. Visit maytagcommerciallaundry.com for warranty details.
