Under the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA), Kodiak Island Housing Authority will offer a home weatherization and renovation program. The program will address weatherization items, health and safety issues, renovations for handicap accessibility, and other renovations and work items as defined in this policy. KIHA shall have sole discretion in determining the eligible work items it will include in the program and shall have the discretion to approve, disapprove, or deny any individual application or work item.

The program is available to Alaska Native/American Indian families and single persons who financially qualify for NAHASDA assistance, and who own and reside in their homes on Kodiak Island. It is KIHA's intent to provide work only on units that are owned by eligible applicants and are utilized as the applicant's principal place of residence.

**WEATHERIZATION/RENOVATION
PROGRAM POLICY
FOR
NON-HUD HOMES OWNED BY
NAHASDA ELIGIBLE FAMILIES AND SINGLES**

1. Eligibility Factors

To ensure that only eligible applicants receive assistance, KIHA requires verification of all factors of eligibility. To be eligible a family or single must:

1. Meet the NAHASDA income limits as established by HUD.
2. Own and occupy the unit being assisted under the program as their principal place of residence.
3. Provide proof of Alaska Native/ American Indian blood.
4. Must permit KIHA to perform the work on the unit in a manner, which KIHA determines is the most cost efficient and expeditious.
5. Provide proof of ownership of the home.
6. Provide proof of insurance naming KIHA as co-insured if work performed by KIHA exceeds \$5000.
7. If the cost of eligible work items will exceed \$5000, homeowner must agree to a deed of trust or similar security on the property for a period of 10 years to permit KIHA to recapture a portion of its investment should the property be sold within 10 years of completion of the work. After 10 years, the deed of trust or other security will convey.

2. INCOME LIMITS FOR THE PROGRAM

To be eligible, family income cannot exceed the current yearly gross income as identified in the HUD income guidelines.

Families or singles whose gross annual income exceeds the NAHASDA limit may be ineligible for assistance. **However, elderly applicants (Age 62 and Over) whose annual income is at 80 – 100% of the HUD published area median family income limits may be considered eligible for the Program in accordance 24 CFR 1000.110.**

Participants will be required to complete an application in writing. Applications are available from KIHA at 3137 Mill Bay Road, Kodiak AK 99615. Participants shall be required to provide accurate information on all sources of family income and provide proof of ownership of the home. Participants shall be required to sign appropriate release and consent forms so that income can be verified by KIHA. Refusal to cooperate with income and program qualifying activities shall disqualify an applicant.

Fraud or misrepresentation in the application process is a serious matter and shall be grounds for disqualification from all housing assistance programs administered by KIHA.

If it is discovered that an applicant has misrepresented his/her situation, family income, or other pertinent

factors, and KIHA has already performed work on the unit, KIHA shall determine if the misrepresentation results in ineligibility for this program. If it is determined that the applicant is not eligible for the program, and has received work on their home they were not entitled to receive, KIHA shall require the applicant to repay KIHA in full for all actual costs associated with the work that has been performed on the unit. If the applicant refuses to repay KIHA, KIHA shall use the full extent of the law to pursue this debt.

The homeowner(s) participating in this program must authorize KIHA to inspect the home to determine the work items that will be covered under the program. KIHA shall meet with successful applicants to write up a work plan itemizing the work items to be performed by KIHA under this program. Final determination of the eligible work items authorized for program participation and for any work to proceed rests with KIHA. KIHA may, as a condition of program participation, require the participant to limit KIHA's liability (to the extent permitted by law) and to formally acknowledge program conditions and restrictions, such as limited warranties for work performed by KIHA.

3. Eligible Work Items

- Insulation
- Doors
- Windows
- Siding
- Roofing
- Weather stripping and caulking
- Heating systems
- Ramps
- Interior renovations for accessibility
- Structural
- Plumbing
- Electrical
- Other items as determined by KIHA

4. Cost/Insurance

Assistance provided under this program shall be at no cost to the eligible participant. If the value of the work provided under the program exceeds \$5000, the participant must provide proof of homeowner's insurance naming KIHA as co-insured under the policy. There are no insurance requirements for work valued at less than \$5000. However, in no event will KIHA be liable for any losses, damages, costs, or injuries, which are attributed to the acts or omissions of the homeowner, the occupants of the home, or any third parties.

5. Recapture Provisions

Under this program, KIHA will not authorize work that exceeds 75% of the proposed replacement value of the unit after improvements. When the value of the work provided under this program exceeds \$5000, KIHA shall require the homeowner to execute appropriate security documents (such as a second deed of trust) which permit KIHA to recapture its investment should the homeowner sell the unit within 10 years of the completion date of the work. Refusal to agree to the recapture schedule and second deed of trust will make a family ineligible for any work in excess of \$5000.

The parameters of the recapture schedule shall be as follows:

<5 YRS	100%
6 YRS	80%
7 YRS	60%
8 YRS	40%
9 YRS	20%
10 YRS	0%

6. Eligible Units

Single family units owned and occupied by an eligible Alaska Native/American Indian family shall be eligible under the program. Rental units and mobile homes do not qualify under the program. KIHA owned HUD units, which have not been conveyed to the homeowner, do not qualify (i.e. Mutual Help units.) KIHA reserves the right to decline an application for any home which is in hazardous or unsafe condition, or which KIHA deems to present an undue risk of harm to workers or visitors. The homeowner shall be exclusively responsible for providing safe and convenient access to work areas.

7. Other

Applicants who owe money to KIHA or other Federal Housing Programs shall be ineligible for this program until the amounts owed are paid in full and verification is provided.

Program shall be ongoing until terminated by KIHA. Length of program shall depend upon funding and need. KIHA may change the scope of the program, program policies, or terminate the program at any time.
